

Key knowledge

Pop Art Movement- a style of art based on simple, bold images of everyday items, such as soup cans, painted in bright colours. It started in the 1950's

Pop artists created pictures of consumer product labels, photos of celebrities, comic strips, and animals.

Be aware of artists who were part of the pop art movement such as: Roy Lichtenstein, Andy Warhol and contemporary Pop artist Takashi Murakami.

Through the use of **primary colours**, thick outlines, and Benday dots, Lichtenstein endeavoured to make his works **appear machine-made**.

Lichtenstein often used Onomatopoeia in his Comic Book style paintings.

Onomatopoeia- the name for words which create sound effects, eg pop, bang.
